Welcome Center- Judy Overbeck

Everything went well

Golf Carts & Sign up Genius- Jim Pavlinik

Volunteers & Bert were great, Sign up Genius did not work

Crafts- Claudia Pavlinik

Low attendance for crafts

Seminars & Walk a Mile for Charity- Judy Ruth

A few of the seminars had low attendance

Next year limit seminars to 45 minutes, start seminars on the hour this will allow time for room change over.

May want to change day and/or time for walk, have walk registration on the GLAMARAMA registration form. Thinking about adding carts and bikes to walk, with carts starting first, then bikes and finish with walkers.

Food- Stephen Richards

- Coffee & Donuts
- Ice Cream Social

If you need volunteers for food service speak up, possible contract for food vendors stating their exact duties.

Registration- Pamela Richard

Suggested registration stay open till 5 or 5:30 every day, moving to vendor building worked well for last two days.

Volunteers- Bev Garcia

Ken Lewis suggested no vendor bucks for volunteers, also concern that arrangements were not made for recognition or thank you by Committee chairs or Executive Board

Vendors- Bob Garcia

Better signage for vendors, suggest to center of space for games or something

Map – George Myers

Improve welcome map and change colors on Fairgrounds map to very different colors.

Store- Bruce and Joyce Brennan

Sold 192 items, we earn a dollar per item

We need a better cash box (the electronic register system caused too many calls all three days to Cincinnati for IT support).

Games & Activities – Deb Dietzel

Suggestion to add a bike event to the activities, Fairgrounds and surrounding area great place to ride.

Add Wednesday games
