Looking into renting an AED. Cost \$400 to rent. Should keep it close to Denny and Safety; this area has the most activity. Must know within 30 days. Denny checked last year; Fairgrounds doesn't have one. He will check further. Chris looked up AED123.com for rental prices and passed the info to Denny. Ken will be in the area for the next few weeks; let him know what is found out. Cintas rentals?
